Model Policy

Updated: November 2006

As identified in the State Strategic Plan, Goal 3, Objective 1

By November 2007, the State Information Security Officer (SISO), in collaboration with the IT Council Security Committee and the Department of Personnel Administration, will develop a general Internet acceptable usage policy and a related best practice guideline for agencies.

For information on this issue, or if you are interested in participating on the development team, please contact the SISO at (916) 445-5239.
